If the code for SCORES REQUESTED shows a "2" and no Aptitude Test scores appear on this report or a "3" and no Advanced Test scores appear, your score report HAS NOT BEEN SENT to the institution whose code appears on that line. If a delay in ETS processing has caused this situation, your report will be sent to the affected institution as soon as the delayed score(s) are available. If, however, this situation reflects your error in designating which scores should be sent, you may correct it by submitting an Additional Score Report Request Form to ETS.
