

PERFORMANCE SOFTWARE

OUR CORE VALUES

Communication

Direct and effective communication with other team members and customers.

Passion

Intensity coupled with a commitment to overall success.

Innovation

Always finding a better and more efficient way to get the job done.

Integrity

Delivering the straight scoop, keeping promises made to other employees and customers.

Trust

Willing to let people run with the ball. People being accountable and taking full responsibility.

Respect

Involvement in decision making and open to hearing opinions.

Appreciation

Verbally expressing appreciation to each other when jobs are done well.

Speed

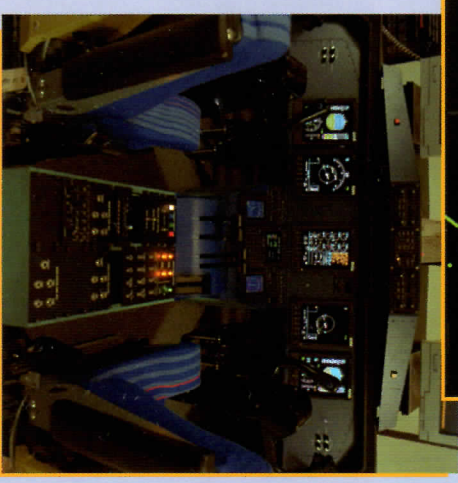

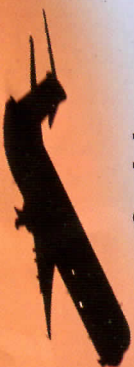

Moving faster than the competition. Gathering facts and acting decisively.

OUR GOAL

To be the best systems and software development company in the valley, where top software engineers are proud to work. This goal can only be achieved by the dedicated efforts of every employee, every day.

OUR CULTURE

Good People,
Excellent at Communicating,
Working Hard on Projects,
and Enjoying One Another.
